## INFORMATION ON THE PROCESSING OF PERSONAL DATA

pursuant to Article 13 of EU Regulation No 679/2016 - General Data Protection Regulation ("GDPR")

Dear Guest,

in order to prevent contagion from COVID-19, in compliance with the provisions of the "Shared Protocol for the regulation of measures to combat and contain the spread of the Covid-19 virus in the workplace" signed on 14 March 2020 between Employers' and Trade Unions, we inform you that, as of 16 March 2020, it is mandatory to measure the body temperature of all natural persons who will need to access to the Pirelli offices in Italy and to request the signing of a declaration confirming the absence of any contacts, in the last 14 days, with natural persons with positive results at COVID-19.

The legal basis for the processing is the implementation of the anti-contagion protocols pursuant to the Italian applicable laws.

**WE THEREFORE INVITE YOU, BEFORE ENTERING ANY AREA INSIDE PIRELLI , TO GO TO THE RECEPTION** where:  
Your body temperature will be measured by dedicated personnel.

The data contained in the declaration and the temperature measurement data will be used for the sole purpose of allowing or not allowing your access to the Pirelli Milano Bicocca.

The temperature measurement data will be deleted as soon as the measurement is complete.

It is without prejudice to the need to retain certain information (in compliance with confidentiality and the principle of minimizing processing) to acknowledge receipt of the declaration and measurement and/or to justify any refusal of access to the Pirelli Milano Bicocca following exceeding the permitted body temperature or a non-conforming declaration.

Personal data for the purposes set out in this information notice will be stored until the end of the state of emergency.

For any further information and for the exercise of the rights provided for by current legislation on the protection of personal data, please refer to the information on visitors' processing of personal data, available at Pirelli's reception. The data controller is the Pirelli Group Company which invited you.
